

In Memory

Jim Kellogg
Elko Archery Club, Range Captain

He was always the first one to arrive.
He was the one that opened the gate.
He always had a smile on his face.
He would offer assistance to anyone in need.
He took care of the little things that mostly went unnoticed.
He handled the big things that we all took for granted.
He was the one that closed the gate.
He was always the last one to leave.
He will be missed.

Thank you, Jim, for sharing your time with us.
